

ST. SPYRIDON GREEK ORTHODOX CHURCH
NEW FAMILY REGISTRATION-2011

WELCOME! We are excited you have joined us today, and potentially again in the near future! Besides the "Visitor Card" we would love to get information specifically about your children or on you if you are in college or younger than 35!

If you are willing to give your information, we will personally contact you for events going on within the Parish Community that you and/or your family might like to participate in.
